PROFESSIONAL EXPERIENCE

Growth & Marketing Intern, Echelon AI — San Francisco, CA

May 2026 – Aug 2026

- Led outbound outreach to 50+ prospective enterprise accounts, generating qualified leads and supporting 10+ sales meetings that shaped go-to-market strategy.
- Worked directly with enterprise clients including HubSpot, Alera Group, and OptumRx, joining client calls and working sessions to translate their requirements into positioning and case studies.
- Defined four customer segments from account and engagement data and built segment-specific messaging for enterprise buyers.

Marketing & Strategy Intern, Echelon AI — San Francisco, CA

May 2025 – Aug 2025

- Worked directly with founders and executives on go-to-market strategy for enterprise clients; designed a ServiceNow-focused campaign that increased engagement 65% and was reposted by ServiceNow's official channels.

Vice President, Data & Outreach, Student Government — Penn State

Jan 2025 – May 2025

- Collected and analyzed survey responses from 500+ students to identify and rank the three most significant student concerns; coordinated with five university departments to act on the findings.

Venture Capital Intern, UQ Ventures — Q Labs, University of Queensland

Aug 2023 – May 2024

- Conducted diligence on five portfolio companies, assessing scalability, product-market fit, and runway, and delivered written recommendations.
- Interviewed three founders and analyzed competitive landscapes to source and pitch an investment target.

ACADEMIC EXPERIENCE

Undergraduate Teaching Assistant, Department of Anthropology — Penn State

Aug 2026 – Present

- Support 100 enrolled students through weekly office hours and grading, providing written feedback on argument structure and use of evidence.
